

## **Faculty Alliance**

### **Resolution 2018-01 Establishment of University-wide Non-teaching Days**

**Whereas**, the imposition of a common academic calendar across the three universities has provided for common start dates, end dates and recesses, it has resulted in unequal instructional hours for many UA courses with specific scheduling requirements; and

**Whereas**, the Faculty Alliance has succinctly outlined the resultant issues regarding incongruent instructional hours for the relevant courses to the UA Executive Council; and

**Whereas**, the Faculty Alliance in consultation with the three Faculty Senates has proposed effective and non-disruptive solutions that address instructional hour discrepancies and enable reinstatement of traditionally observed campus events while maintaining instructional hour requirements; and

**Whereas**, the unilateral decision by the UA Executive Council to adopt a single non-teaching day does not address the underlying issue of instructional hour discrepancies; and

**Whereas**, the instructional calendar is explicitly listed as the purview of the faculty senate as stated in faculty senate constitutions ([UAF Faculty Senate Constitution II.2.J.8](#)

[, UAA Faculty Senate Constitution Section 2 D, UAS Faculty Senate Constitution 4.A.3.b\).](#)

**Therefore be it resolved**, the Faculty Alliance formally registers objection to the unilateral administrative determination of any non-teaching day and reiterates that, providing instructional hour requirements are met, non-teaching days are at the discretion of the faculty at each university as per their faculty senate bylaws.

**Adopted unanimously by the Faculty Alliance on the 13th day of October 2017.**
